CONSTRUCTION WATCH

8 Octavia Construction Moving Right Along in Hayes Valley

Monday, May 13, 2013, by [Michael Conrad](#)

In the pipeline since 2007, the [highly acclaimed 8 Octavia](#) has broken ground near the corner of Octavia and Market streets. The Stanley Saitowitz | Natoma Architects design was the winner of the San Francisco Prize Design for the former Central Freeway parcel. The building will feature [48 studio, 1-, and 2-bedroom condos](#) over ground floor retail and 24 parking spaces for cars and 26 bike stalls. Having been tweaked slightly since its original design, the building still feature ["shiny boxes"](#) rising from 5 floors up to 8 at the Market Street frontage.
