

FAMILIES GO!

FAMILY TRAVEL JUST GOT EASIER

A screenshot of a Facebook post from the page 'FamiliesGo'. The post is dated 'March 10 at 10:53am'. The text of the post reads: 'On June 12, the California Academy of Sciences in San Francisco will open its Color of Life exhibit. Look for vibrant live Gouldian finches, amphibians, octopuses, and giant insects. interactive exhibits will include a walk-in color visualizer display and a virtual game where visitors can mimic animal movements to trigger animation.' Below the text are the options 'Like - Comment - Share'. At the bottom, there is a comment box with a small profile picture and the placeholder text 'Write a comment...'. A 'Like Page' button is visible in the top right corner of the post area.
