Grandparents Getaway Tour ~ New From Fairmont Heritage Place, Ghirardelli Square

June 23, 2011

We **feature** Family **Travel** quite frequently, focusing on **Family Vacations** and outings for parents and their kids, but what about grandparents? Multi-generational travel is becoming more and more common these days, which is why Fairmont Heritage Place located at Ghirardelli Square in San Francisco, has introduced their **Grandparents Getaway**.

Available to guests June 25 to September 6, 2011, Fairmont Heritage Place, Ghirardelli Square offers a first-of-its-kind Grandparents Getaway package, a unique opportunity for families **to share** lasting memories in one of the world's most sought-after destinations with customized tours for exploring the city and San Francisco waterfront.

As you can imagine, by the end of the tour, Grandparents and children alike will be tuckered out and ready to snuggle into bed with a movie from Fairmont Heritage Place's selection of more than 1000 films, including all the latest releases. 😊
