Infinity Sales Update And A Few Additional Details For Tower Two

February 5, 2009

According to the developer of The Infinity, 295 of the 365 units (80%) in phase one (tower one and the treetops) have closed escrow, up from roughly 255 (70%) [in October](#) of 2008. Twenty (20) [new contracts](#) have been written in the past 30 days (39 in Q4 of 2008).

More detail on the official starting prices for the 285 condos in tower two (vs. [tower one](#)):

One-bedrooms "[from the mid \\$500,000s](#)" (700 to 1,020 square feet)
Two-bedrooms "from the high \$700,000s" (1,160 to 1,600 square feet)
Three-bedrooms "from the high \$900,000s" (1,630 to 1,740 square feet)
Penthouses T.B.D.

Design changes between the two towers include four penthouse units in tower two (that's a view from the crown jewel #42B below) versus only two in tower one.

Upgraded appliances in the top twelve floors of tower two and cabinetry in the top six.

And one-bedroom corner homes in tower two.
