Biscoff's Spread the Love Challenge: From Monday through July 28, upload photos showing ways to "spread the love" of Biscoff Spread snacks to facebook.com/biscoff. Examples: Put Biscoff Spread on a bagel or make brownies made with the spread. Facebook fans will vote on the photos from Aug. 5-25. The top winner, announced Aug. 30, will receive a trip for two to Belgium. Second- and third-prize winners will get \$1,500 and \$1,000 respectively. The spread -- "Europe's alternative to peanut butter" -- is a sweet and creamy one made with the famous cookies in it.
