

The Star-Ledger

On the go

July 14, 2009

Just in time for road trips this summer, MetLife Auto & Home offers "Kids and Airbags." This free safety guide, published in association with the Insurance Institute for Highway and Safety, offers advice for traveling safely with kids. The brochure is available by calling 1-800-MET-LIFE (1-800-638-5433).
