Tower Two, One Rincon Hill

401 HARRISON ST.

A tower gets its mate

🏠 | Fall 2014 | 520 ft.

When One Rincon Hill popped up five years ago, detractors threw out words like “atrocious,” “ungracious,” and “Sharper Image Ionic Breeze.” Get ready for round two. The question now is whether the high-end residential project’s more diminutive northern tower will finally assuage critics—or further prove their point.
