On March 26, 2011 (2:00pm - 3:30pm), the Museum of Craft and Design will present the "San Francisco Skyline," one of their MakeArt series. This session is for children of ages 6 to 12, and will be held at the Main Library. San Francisco Skyline is about the famous and important buildings in the City. Participants explore the shapes of the buildings, and make their own skyline collages.

The Museum's other sessions include: Be an Architect for a Day (April 30, 2011 at the Museum of Craft and Design), Design Your Own Neighborhood (May 28, 2011 at the Main Library), and Green Architecture: Building with Recyclables (April 17, 2011 at the Yerba Buena Center and May 14, 2011 at the Museum of Craft and Design). Sessions at the public libraries and Yerba Buena Center are free. Sessions at 201 Third Street are free, if you are a member of Museum of Design, and \$10 if you are not. For more information see, <http://www.sfmcd.org/#Events>.

The Main Library is located at 100 Larkin Street, San Francisco, CA 94102.
