Walmart is planning to hire about 65 associates at its new Neighborhood Market in Pleasanton, CA. The new Walmart Neighborhood Market is slated to grand open this summer. Walmart has set up a temporary hiring center at 3120 Santa Rita Road, Suite F, in the same shopping center as the new Walmart Neighborhood Market. Applications will be accepted from 8:00AM to 6:00PM, Monday through Friday, and 9:00AM to 2:00PM Saturday. Interested applicants may also apply online.

According to store manager Alton Wheeler, the store will be hiring both full-time and part-time associates. "We are excited to add the first Walmart Neighborhood Market to Pleasanton and bring good jobs with great career opportunities to the area," said Wheeler.

Walmart provides a benefits program to eligible full-time and part-time associates. It provides, for example, a variety of affordable health and well-being benefits including health-care coverage with no lifetime maximum. The average wage for full-time hourly associates in California is \$12.93 per hour. Walmart also offers eligible associates matching 401(k) contributions of up to 6 percent of pay, discounts on general merchandise, an Associate Stock Purchase Program and company-paid life insurance. In addition, eligible associates receive a quarterly incentive based on store performance.

Walmart Neighborhood Markets are considered a small format store and designed for customer convenience. The stores offer a full supermarket line of fresh, affordable groceries, as well as household products, pet supplies and pharmacy services.

The majority of new associates will begin work in June to help prepare the store for its summer grand opening.
