Kerman Walmart Opens along with the first day of school!

Kids, cars and early morning shoppers.

The day got off to a very busy start as schools opened along with the long awaited and sometimes controversial grand opening of the world's largest retailer, Walmart as they held grand opening ceremonies with the community attending in full force. It was quite a sight to see, all the kids getting dropped off in their new duds and colorful backpacks on one end of Goldenrod while the mayor, other dignitaries along with crowds of shoppers eager to get their first glimpse of the sparkling new store, at the other end the now very popular street.

Walmart's Grand Opening is a hit with both young and old. Wall to wall smiles filled the newest Walmart Super Center which offers more than you may ever need, and yes they will be opened 24 hours a day.

This little boy believes it's better to give than to receive as he gives his Cheetos back to Chester Cheetah who was moonlighting as greeter.

The first shoppers break in the new spotless isles

Kerman School District were also winners at the grand opening
