October 21, 2014

Wal-Mart Stores Inc. will open an upgraded store Wednesday at 1400 Lead Hill Blvd. in Roseville.

A Walmart store has occupied the space since 2003, but the store has been temporarily closed during remodeling.

Upgrades at the store, which covers about 142,000 square feet, include a full-service grocery department. The company announced the decision to upgrade the store last summer. Many of the employees from the previous Roseville store moved to a Walmart at the new Rocklin Crossings shopping center.

A revamped Walmart store opens Wednesday in Roseville. Upgrades include a full-service grocery store.

About 300 jobs will be available at the revamped Roseville store, including full- and part-time positions, according to the company.

The store will be open 6 a.m. to midnight, seven days a week. On Wednesday, the store will open after a 7:30 a.m. ribbon-cutting ceremony.

The Roseville store will feature the company's site-to-store program, which lets customers order products on Walmart.com and pick them up at a store for free, often on the same day.
