## Woodland Fire Department receives 2 grants from AAA and Wal-Mart

The Woodland Fire Department has received of two grant donations from AAA and the Wal-Mart Foundation, it was reported Friday.

According to Battalion Chief Rick Sander, the two grants will be used to purchase additional rescue equipment which will give the Fire Department "much needed versatility."

"The generosity of these two fine community partners helps the Fire Department at a time when the budget is challenged," according to Sander. "The donations of \$5,000 from AAA and \$3,000 from the Wal-Mart Foundation support a compliment of Rescue Tools on two of our Apparatus, giving the Firefighters the ability to support multiple operations."
