## ON THE TOWN

### **Fright Nights at the Winchester Mystery House**

**THROUGH NOVEMBER 3**

The award-winning Winchester Mystery House attraction, “Fright Nights,” returns at the world-famous mysterious, rambling, and reportedly haunted home of Sarah Winchester. With more thrills and exciting additions to last year’s award-winning Maze and House tour, the grounds of the Winchester Estate will be transformed into the world’s most terrifying Halloween experience. Filled with haunted walk-through attractions, roaming scare performers, and nightmare-inducing tales, “Fright Nights” will once again be an open house visitors won’t want to miss! **Winchester Mystery House, San Jose, [www.WinchesterMysteryHouse.com](http://www.WinchesterMysteryHouse.com)**
