## eyeopeners YOUR GUIDE TO WHAT'S HOT

DARK LIGHT DYNAMIX

The scarecrow may not be the scariest thing at San Jose's Winchester Mystery House during Fright Nights.

### Events

#### Early Halloween

San Jose's **Winchester Mystery House** has "resurrected" its Fright Nights for a second year. Starting Friday and running through Nov. 3, the grounds of the Win-

chester place (on Winchester Boulevard across from Santana Row) will become a kind of Halloween central, with all manner of ghosts, goblins and things that go bump in the night. (That's in addition to the things that always go bump in the night at the house.) Among the attractions: "The Curse of Sarah Winchester: The Resurrection,"

your very scary maze between heaven and hell, and "Walk With the Spirits," a chance to tour the mansion by yourself — if you dare. Tickets are \$40-\$60. <http://winchester-mysteryhouse.com/frightnights>, where you'll also find complete details.
