Landis Communications, Inc. Celebrates 20th Anniversary with Gifts to 20 Causes

SAN FRANCISCO, CA (November 18, 2010) – [Landis Communications, Inc.](http://www.landispr.com) (LCI), an award-winning, mid-sized, independent communications and social media agency based in San Francisco, is celebrating its 20th year in business by donating to 20 important non-profits in the human services, arts, environmental and health categories.

LCI has a long and rich history of giving back to the communities in which it does business. Celebrating this important milestone by continuing that tradition was important to company founder, David Landis. “It’s true that we could have had a big party and patted ourselves on the back. In these tough economic times, it’s more important to celebrate organizations providing vital needs to our community,” Landis stated. “The LCI staff wants to give back and our clients have been incredibly supportive of this initiative. Likewise, we encourage everyone, especially in these difficult times for nonprofits, to

continue to support the causes to which they’re dedicated.”

LCI has made donations to the following organizations in celebration of its 20th anniversary:
