December 2010

LCI Celebrates "20/20 Vision"

It's both Happy Holidays and Happy Anniversary at Landis Communications, Inc. We are celebrating our 20th anniversary and we wanted to share our very best for a warm and wonderful Holiday and successful *next* 20 years with all of you. It's not often you get the wisdom of experience to combine with excitement for the future - and we're thankful to be at that crossroads during the holiday season.

During this holiday of giving, LCI wants to give back to the community that helped us succeed for more than 20 years...and yes, we think shopping is just fine (we all have to pitch in to help the economy, after all), but we also encourage everyone to give to whatever charity means the most to them, especially in these challenging times for nonprofits. We're celebrating by supporting the following 20 organizations:

[American Craft Council](#)
[Avon Walk for Breast Cancer](#)
[Best Buddies International](#)
[California Academy of Sciences](#)
