

13 Art Trips You Need To Take

By Jennifer Kester

Aug. 13, 2015

One of our favorite things to do on a trip is to visit a top-notch museum, whether we see a blockbuster exhibit by an internationally known artist or we stumble upon a little-known institution with an exciting collection. Our [Forbes Travel Guide](#) editors give you the list of new exhibits, museum openings and hidden gem museums that should help you craft your own masterpiece of an art trip this year.

Destination: [San Francisco](#)

Where to stay: [The St. Regis San Francisco](#) is the ideal base for your trip—SFMOMA is next door and the Museum of the African Diaspora is inside the Five-Star hotel. Plus, The St. Regis boasts its own collection of about 600 pieces. Check out Canadian Andrew Morrow's *Love* and *War*, two large rusty-hued murals in the style of dramatic realism that face each other in the lobby.
