Grabhorn Institute celebrates its Kindle-free status

By Leah Garchik | May 23, 2016

•Plans are under way, as reported herein upon hatching, for the creation of a 15-foot-tall memorial to **Nelson Mandela**, designed by **Brian Sell**, at Skylawn Memorial Park in San Mateo. Organizers — who claim this is literally the biggest tribute to Mandela in the country, because the one in Washington is only 9 feet tall — are selling bricks on the walkway to the monument in the cemetery, which will be accessible to the public. Bricks are \$500 each, with \$200 going to the California NAACP or Nelson Mandela Foundation.
