Volunteers placed nearly 250 more wreaths this year than last (Source: Tucson News Now).

The goal is to never forget our veterans.

Saturday December 17 at Evergreen Cemetery volunteers showed up to lay wreaths on the graves of veterans in Tucson.

This year with the help of the community, they placed the wreaths on 999 graves. This is the 25th anniversary of Wreaths Across America.

The day began with a 90-minute ceremony. It was a time to honor and remember veterans.

Then volunteers began laying the wreaths on the graves.

Last year, there were 750 wreaths. Organizers said this year was one of the best turnouts.
