CALIFORNIA BANK & TRUST RELEASES MOBILE BANKING FOR BUSINESS AND ENHANCED MOBILE BANKING FOR CONSUMERS

All the Features of Online Banking with Bill Pay Now Available Via Smartphone to Business and Consumer Customers

FOR IMMEDIATE RELEASE

San Francisco, CA, August 21, 2012 — California Bank & Trust (CB&T) has announced significant enhancements and functionality improvements to its CBT Mobile Banking App. Personal accounts have now been enhanced to include the ability to use the Bill Pay feature from a mobile device. CBT Business Mobile Banking for business accounts is now available and includes all of the same features. With CBT Mobile Banking and CBT Business Mobile Banking, California Bank & Trust online banking customers can securely access deposit, loan, line-of-credit and credit card accounts. Using the personal or business mobile banking app, customers are able to:

- o Get direct access to personal and business banking accounts
- Check balances, search activity and review transactions
- Transfer funds between eligible linked accounts
- Find branch and ATM locations

Customers already enrolled in Bill Pay through DirectNET Consumer Online Banking or Direct Business Internet Banking also have access to Bill Pay using their mobile device to:

- Pay bills to existing payees
- o Review and cancel scheduled bill payments
- View payment activity

"The enhancements to our mobile banking and business mobile banking platforms allow our

customers to have convenient real-time access to the features and functionality they enjoy with online banking," says **Susan Brown, California Bank & Trust Senior Vice President and Marketing Group Manager**. "We're offering these additional features to address the ways in which our customers work and live today. These features allow our business customers to be more efficient and, ultimately, more competitive. This is another way California Bank & Trust is responding to the needs of our customers and keeping a competitive edge in banking for business and individual consumers."
