## Native Trails Unveils New NativeStone® Sinks and Bathtubs at KBIS Las Vegas

*Attendees can view the Farmhouse sinks and luxurious Avalon tubs in Booth #N3000*

**SAN LUIS OBISPO, CALIF. (Jan 19, 2015)** – [Native Trails](#), the eco-chic company renowned for its luxurious artisan-made kitchen, bath and lifestyle products, unveils today four new NativeStone sinks for the kitchen and bath, including **Farmhouse Quartet, Farmhouse Double Bowl, Nipomo** and **Tolosa**; along with the luxurious new NativeStone **Avalon** bathtubs. NativeStone is the proprietary material that Native Trails developed to be sturdier and more environmentally friendly than concrete. Available in Ash (a light, yet rich gray), Slate (a darker hue) and Pearl (a glowing off white) finishes, the sinks and tubs hit showrooms June 1, 2016. KBIS attendees can get a sneak peek of the products in booth #N3000.

“These new sinks and tubs create a luxurious wow factor for the home,” said Naomi Neilson Howard, founder and CEO of Native Trails. “The sinks can be mounted in very different ways, giving homeowners the flexibility to showcase the sink their own way. The tubs are visually stunning, with such character. We’re very excited for KBIS attendees experience their rich, organic texture and beauty.”

Neilson Howard continued, “When it comes to customers who want the look and durability of concrete without the fragility, look no further than our NativeStone line. This is our version of concrete, which is not only incredibly on-trend, it is one of the least energy intensive materials one can specify. We worked long and hard to create a material that’s both beautiful and tough. NativeStone is the eco-friendly hero of the home – and incredibly stain resistant.”

**Avalon:** With its oval shape and deep interior, this impressive NativeStone bathtub provides not only beauty but optimum comfort. Its thick walls provide insulation to ensure that a hot, deep, relaxing soak will last and last. Avalon is handcrafted of a breakthrough combination of natural jute fiber and cement known as NativeStone, making the tub much lighter than expected.

Artisans hand form, polish, finish, and seal each individual tub, using contemporary craft techniques. Each tub takes several days to perfect.

Avalon 62 is priced at \$7,495 and available in Ash, Slate and Pearl finishes. (Dimensions: OD 62" X 36" X 21" | IN 57" X 31" X 19"). Available in showrooms in June 1, 2016.

Avalon 72 is priced at \$8,795 and available in Ash, Slate and Pearl finishes. (Dimensions: OD 72" X 36" X 23" | IN 66" X 30" X 21") Available in showrooms in June 1, 2016.

**Farmhouse Quartet** is a one-of-a-kind kitchen sink designed with flexibility in mind. With four installation options – apron-front or undermount (no visible apron), bow-front or straight-front – Farmhouse Quartet is Native Trails' most versatile sink to date.

Farmhouse Quartet is priced at \$1,775 and available in Ash, Slate and Pearl finishes. (Dimensions: OD 33" x 20.5" x 10.25 | ID 30.5" x 18" x 9")

**Farmhouse Double Bowl** is a practical and attractive double-bowl kitchen sink with geometric appeal. On the practical side, it accommodates a variety of kitchen tasks, making prep and cleanup a breeze. On the attractive side, this artisan crafted sink offers concrete's organic beauty as a stain-resistant sink that always looks good.

Farmhouse Double Bowl is priced at \$1,825 and available in Ash, Slate and Pearl finishes. (Dimensions: OD 33" X 21" X 10.25 | ID 30.5" X 17.75" X 9.5")

**Nipomo**: This sink is a powerhouse of versatility and perfect for today's clean design styles. Its soft rectangular shape shows off the organic beauty of concrete, at a much lighter weight and with no-fuss maintenance. To achieve a homeowner's desired look, Nipomo can be installed as an apron-front sink, undermount sink or vessel sink.

Nipomo is priced at \$575 and available in Ash, Slate and Pearl finishes. (Dimensions: OD 19.5" X 15" X 4.5" | IN 17" X 13" X 4"). Available in showrooms June 1, 2016.

**Tolosa:** This oval-shaped bathroom sink ups the ante with its smooth surface and elegant design. To achieve a homeowner's desired look, Tolosa can be installed as an apron-front sink, undermount sink, or a drop-in sink.

Tolosa is priced at \$525 and available in Ash, Slate and Pearl finishes. (Dimensions: OD 19.5" X 15.5" X 4.75" | IN 17" X 14" X 4"). Available in showrooms June 1, 2016.

Native Trails' exclusive NativeStone material uses an innovative mixture of jute fiber and cement. It weighs approximately 40 percent less than standard concrete – and its exclusive nanosealer renders it highly stain and chip resistant. NativeStone offers the sleek look of concrete without the hassle.

### **About Native Trails**

[Native Trails](http://www.nativetrails.net), now celebrating its 20<sup>th</sup> anniversary, is the premier source for luxury functional art in the kitchen, bath and home. Offering inspired design, Native Trails is best known for hand-hammered, recycled copper sinks and bathtubs. Its artisan-made product lines have grown to include groundbreaking NativeStone™ concrete sinks, vanities made of reclaimed and FSC-certified woods, range hoods, furniture, and a range of home decor products.

Headquartered in San Luis Obispo, Calif., Naomi Neilson Howard founded Native Trails in 1996 and serves as the company's chief visionary and CEO. The company ships its award-winning, sustainable products to more than 1,300 showrooms across the U.S. and Canada, while its global website ([www.nativetrails.net](http://www.nativetrails.net)) offers sales beyond North America. Select pieces have also been featured in several television series, including the last two seasons of the popular HGTV and W Network show, Property Brothers.
