Largest Bay Area construction projects finishing in 2016

By: Emily Fancher

Jan. 26, 2016

This year will see a rash of residential, office, transportation and other large construction projects wrap up throughout the Bay Area.

With more than \$20 billion in large construction projects throughout the Bay Area, the building industry is a major economic driver in our region.

Check out our slideshow on the largest building projects in our region and find out who's developing, designing and constructing them.
