Spanking New

The Baby Classic under-mount sink is a diminutive version of the larger Classic sink. Hand-hammered in recycled 18-gauge copper, the basin measures 13½" x 10" with a depth of 4½" once installed. As shown in the new polished nickel finish, it's \$930. From Native Trails, (800) 786-0862, nativetrails.net
