SOAK UP SOME RELAXATION IN THIS IMPRESSIVE TUB

After a long day, there's nothing like sinking into a relaxing bath to release some stress. Native Trail's Avalon series offers 62" and 72" freestanding basins designed to maximize comfort. The company developed a new blend of concrete, NativeStone concrete, which incorporates jute fibers into the cement to make it lighter. Each bathtub is handcrafted in Vietnam, making the texture and finish of each unique. The Avalon line is currently offered in three finishes: Ash, Slate, and Pearl. The bathtubs are sold at various prices at Cape Cod Brass and Security Hardware in South Yarmouth, Frank Webb's Bath Center in Falmouth, and The Water Closet on Nantucket.
