

## Trends from the Architectural Digest Show

BY JAMIE GOLD, CKD, CAPS

Modular cooking surfaces with a variety of sizing and color choices, handle-free appliances, custom finishes and a revitalization of mid-century modern were hot trends at the recent AD Show in New York City.

### NEW SURFACES AND FINISHES

Sink and tub manufacturer Native Trails also showed off new metallic finishes, including a handsome copper, and a new MetalProtect product to keep it looking new more easily than ever before.
