## TAILOR-MADE

From fully customizable kitchens to reclaimed copper soaking tubs to high-tech faucets, *Modern Luxury Interiors California* reports on the latest releases from top kitchen and bath brands.

### Santorini Soak

Engage in the frivolous lifestyle reminiscent of French monarchs Louis XVI and Marie Antoinette. From eco-chic company **Native Trails**—renowned for its lavish kitchen and bath products—comes the Santorini freestanding copper soaking bathtub. Bubbling with elegance and romance, the artisan-crafted tub repurposed from high-quality recycled copper encourages relaxation thanks to its sophisticated lines and pedestal base. Choose from three luxury finishes, including antique copper, polished copper (shown at right) and polished nickel. Tubs from \$9,490, *Ardy Bath Hardware & Kitchens, Beverly Hills, nativetrails.net* —Lexi Sunberg
