

10 Money-Saving Sources for Bathroom Fixtures

By Lisa Kahn
Bathrooms Expert

A bathroom renovation requires lots of time, money and energy. And if you're like me, you're not happy until you've found the best products at the lowest possible prices. That's why I love these 10 online retailers of stylish, high-quality bathroom hardware, fixtures and accessories. Their product selection is vast, customer service is terrific and the prices are just about the best you'll find anywhere.

5. Plumbtile

[Plumbtile](#) defines itself as an "architectural bath and tile specialist," and has been a trusted source for both pros and consumers since the company opened its first brick-and-mortar store in 1979. In addition to top-name bath fixtures, you'll also find tile, stone, decorative hardware and a fine selection of upscale bath furniture. The rustic [Americana vanity](#) by Native Trails, crafted from recycled wood, was recently priced at \$1,723.50, a savings of 25 percent over the original cost.
