

## **Bamboo Lazy Susan from Native Trails Review**

Are you someone who entertains? While I may not do it too often, I do enjoy when I have the opportunity. When this happens, I am usually feeding a large number of people, making it important that things I have on the table have multiple functions. In other words, it has to be beautiful and practical enough that it meets a need for me or my guests. Lately, I have been looking for something to display and hold food, without taking up too much more room on the table. To my delight, my husband and I found the perfect solution – the Bamboo Lazy Susan from Native Trails!

## Bamboo Lazy Susan: What is It?

---

Looking for a beautiful way to display food and make it easier for everyone to have access during meals? If so, we think you will love the [Bamboo Lazy Susan](#) from Native Trails. Each of these handmade turntables are handmade by artisans, making them one of kind. Best of all, they are made from sustainably grown bamboo, making them not only elegant, but eco-friendly. With this smooth gliding Lazy Susan, you can enjoy a drink or meal in style.

Currently, the Bamboo Lazy Susan from Native Trails is available in 3 sizes – 12", 20" and 30", allowing you to have the perfect turntable for your entertaining needs.

## Bamboo Lazy Susan: Overall

---

Personally, I love having beautiful things for displaying food, especially during holidays. It's nice having something that is not just elegant, but practical, since it allow guests to get various condiments, or better choose what they wish for their plate. As well, it goes well with other bamboo pieces, making it the perfect addition to any dining room table. Based on our own experience, I am delighted to give the Bamboo Lazy Susan from Native Trails an A rating and considering it a great gift to anyone who is looking for a high quality table piece for entertaining.

## Bamboo Lazy Susan: Where to Purchase

---
