Dream Bathroom Inspiration

Using Riobel's new Mornenti Made to Measure collection, Negar created her own custom faucet for this dream bathroom design board.

Restoration Hardware, [www.restorationhardware.com](http://www.restorationhardware.com)

*"This is a modern rustic space that will stay in-fashion for a long time. It's also fun, which makes it perfect for a young family! I recommend splurging on quality cabinetry with ample storage. You can recreate this look by mixing metallic and neutral colored pieces together. Don't forget to include dramatic lighting!" - Negar Reihani*

the combination of a modern wall-mounted faucet with a rustic black finish
