## Starting from Scratch

BY ANDREA DARR

Now is the time to get creative. Add some pattern or sparkle, old with the new, or sustainability and durability to your remodeling project.

### Helping Hand

Adding a prep or bar sink to your highly customized kitchen offers flexibility for getting help when you want an extra cook in your space and keeping them out of your way when you don't. Rio Chico's copper trough sink perfectly balances utility for the job and beauty for the party. \$1,598. Available through Ferguson Enterprises, Kitchens & Baths by Briggs, Neenan Company and Pyramid Pipe & Supply. [nativetrails.net](http://nativetrails.net)
