Steal This Look: Manka's Vintage Bath in Inverness, California

Alexa Hotz | September 11, 2018

A while back we featured the 1900s cabins of [Manka's Inverness Lodge in West Marin](#). Now, as part of our [Golden State](#) week, we're revisiting the full bath in each of the large cabins, each one complete with a clawfoot tub, an outdoor shower, and vintage fixtures. Here are some ideas for re-creating the look.
