[Small Space, Big Style](#)

September 23, 2017

In an era of minding our footprints, it's no surprise that a Google search for "designing small spaces" brings up more than 25-million results. Our recent post on [Sub-Zero Wolf's newly expanded 24-inch collection](#) got us thinking, so this week we've decided to take a look at some of our favorite products that fall into the petite category. Some of our perennial favorites include [The Galley](#), which designs complete kitchens for tiny spaces, and [True Manufacturing](#), which recently introduced cool customization options for its 30-inch column refrigerator. **We're fans of [Native Trails'](#) beautiful copper prep and bar sinks, too.** For some expert advice, we tapped a few of our specialists to get their picks on the best small-scale designs. Here's what they had to say.
