## CARING CAUSES

**ON LOK SENIOR HEALTH SERVICES'** 45<sup>th</sup> Anniversary Gala benefits Bay Area seniors seeking to maintain independence while in need of community support, be it computer classes or therapeutic clowning sessions à la Patch Adams. Chair **Nadyne Ordon**a fell in love with On Lok years ago when she saw firsthand how much the organization enhanced the life of her mother, **Benedyne Kim**. Ordon's good friend, **Amy Hill**, an Asian American Theater Company alum who went on to become a popular screen performer, will emcee a night of spectacular entertainment, including singer Jeff Wessman's homage to **Frank Sinatra**, selections by pianist **Dick Clark**, and **Desiree Choy**'s traditional Chinese songs. "There is a saying that society will be defined by how we treat our elders, and On Lok has defined that for 45 years," Ordon says.
