

NBC BAY AREA

On Lok's 45th Anniversary Gala

On Lok's 45th Anniversary Gala will be on Friday, May 20, 2016 honoring special guests for their outstanding contributions in serving seniors across the Bay Area. Actress and writer Amy Hill will be the emcee for the evening. Please join the celebration at the InterContinental San Francisco Hotel. The cocktail hour starts at 6pm and dinner will begin at 7pm. Please RSVP by Monday, May 9th.

On Lok was founded in the early 1970s by a group of citizens concerned about the plight of elders and the lack of long term options in the community. On Lok has now continued serving seniors but have now expanded to research and development, human resources, fundraising and management systems to better provide for elders. The organization has expanded to provide long-term care options in the community including transportation services, in-home care, social activities, and wellness promotion programs. This is a special milestone event honoring the ongoing mission On Lok has dedicated for 45 wonderful years, a leader in senior care and innovating new ways to care for elderly in a community they love.
