**Pizarro: Silicon Valley's homeless will benefit from
sweet fundraiser**

SINGING LYFE'S PRAISES: Stanford a cappella group Mixed Company are such big fans of the healthy fare at LYFE Kitchen in Palo Alto that they created a jingle for the restaurant. They'll sing it during the grand opening festivities of LYFE's second Bay Area location Wednesday at Main Street Cupertino Center on Stevens Creek Boulevard.

Cupertino Mayor Barry Chang and LYFE Kitchen CEO Chance Carlisle also will be at the 5:30 p.m. celebration, but you'll have to be there to see if they add their voices to the chorus.
