The Positive Resource Center has been named a lead beneficiary of this year's AIDS Walk San Francisco. The event, which takes place July 16, raises money for numerous HIV/AIDS nonprofits.

As a lead beneficiary, PRC, which also includes the AIDS Emergency Fund and Baker Places, will receive up to \$80,000 from the AIDS Walk San Francisco Foundation, the governing body. The money comes from AIDS Walk participants. Participants will also raise money for other nonprofits.

"We're thrilled to be recognized as one of this year's AIDS Walk San Francisco lead beneficiaries," Brett Andrews, PRC CEO, said in a statement.
