Marc Clabaugh

Residential Rehabilitation Manager at Centre For Neuro Skills

Mr. Clabaugh is a seasoned manager with 12 years of expertise working with traumatic brain injury and stroke patients. He is a Certified Brain Injury Specialist and a state-certified administrator who oversees three residential facilities for patients at the CNS Los Angeles clinic. A member of the Council on Quality and Leadership, his training supports CNS' patient-centered model. This renowned clinical approach helps people to walk, speak, work and find meaningful lives post-injury.
