SAN DIEGO, Calif. (July 24, 2020) –Handlery Hotels, Inc., the family-owned and operated brand of [Handlery Hotel San Diego](#), is thanking frontline workers during the COVID-19 pandemic by offering special rates to hospital, EMT, fire and police workers (ID must be shown upon check-in). The package, priced at just \$75 per night, is available Thursdays through Saturdays now through Fall.

Handlery Hotel San Diego

San Diego is a great “staycation” weekend spot since many popular beaches, boardwalks and restaurants are now open – and our frontline workers have more than earned a break this year. Area attractions including San Diego Zoo and San Diego Zoo Safari Park are also welcoming guests. The cool coastal breezes beckon people from inland locations experiencing blistering summer heat.

“Frontline workers have been putting themselves in harm’s way for months now,” said Jon Handlery, president of Handlery Hotels, Inc. “Here at Handlery Hotel San Diego, we want to provide an opportunity for these folks to put their feet up – or in our beautiful pool – for some well-deserved rest and rejuvenation.”

“Give Us a Break” Package – only \$75

The \$75 package, which does not include tax/service fees and must be booked at sd.handlery.com or via phone at (800) 676-6567, includes:

- 3 p.m. late check-out, which allows even more pool time
- Complimentary parking with unlimited in and out privileges
- Complimentary bottled water
- Complimentary Wi-Fi
- 20% discount at Macy’s

**Please note: proof of employment as a frontline worker, defined as hospital, police, EMT or fire department employee, must be shown at check in. Only one room per employee is permitted for this special package.*
